

US Data Center Buildout — Target Companies (\$150M–\$1B Revenue)

Research compiled June 2026. Companies organized by tier and sub-category with headquarters locations. Revenue figures are approximate (latest available fiscal year). Companies in the target revenue range are **bolded**.

TIER 1 — HIGHEST PRIORITY

These categories have the strongest ICP fit: capacity-constrained markets, mid-cap players winning share from legacy OEMs, and high procurement complexity.

1A. Switchgear, Transformers & Busway

MV/LV Switchgear

Company	HQ	Approx. Revenue	Notes
Forgent Power Solutions (FPS)	Dayton, MN	~\$200-300M (est.)	Public (NYSE:FPS). LV/MV switchgear, transformers, ATS, panelboards, UPS. ~2,000 employees. 2023 founding via SPAC.
Voltaris Power	Santa Fe Springs, CA	~\$200-300M (est.)	PE-backed (Mill Point Capital). Formed Oct 2024 from Jefferson Electric + PCEP. Dry-type transformers, LV/MV switchgear, unit substations, E-Bloc microgrid.
Giga Energy	Long Beach, CA	~\$150M (2025 est.)	VC-backed (\$27.7M raised). Padmount transformers, MV substations, UL-891 switchboards, modular power. ~190

Company	HQ	Approx. Revenue	Notes
			employees. Fast lead times vs. legacy OEMs.
JCL Energy	Sharon, PA	~\$100-200M (est.)	PE-backed (Allied Industrial Partners). Pad-mounted and substation transformers. Rental + sales + service. Locations in PA, SC, TX.
Bruce Electric Equipment	Lindenhurst, NY	~\$10-50M	Specialty dry-type transformers, switchgear, circuit breakers. Stocks surplus from GE, Acme, ABB. Fast-lead-time niche.

Transformers

Company	HQ	Approx. Revenue	Notes
Hammond Power Solutions (HPS)	Guelph, ON, Canada	~\$200-300M est. in US	Public (TSX:HPS.A). Dry-type transformers. Strong data center exposure. US manufacturing presence.
Virginia Transformer Corp	Roanoke, VA	~\$150-250M (est.)	Private. Custom transformers up to 100 MVA. Multiple US plants. Data center substation transformers.
Delta Star	Lynchburg, VA	~\$150-200M (est.)	Private. Medium power transformers, mobile substations.

Company	HQ	Approx. Revenue	Notes
			Data center and utility markets.
ERMCO	Dyersburg, TN	~\$150-250M (est.)	Private. Distribution transformers. Strong data center demand.

Busway & PDU

Company	HQ	Approx. Revenue	Notes
Universal Electric / Starline	Canonsburg, PA	Acquired by Legrand	Track busway, PDU systems. Now part of Legrand Data Center Solutions. Legacy mid-cap brand.
JST Power Equipment	Lake Mary, FL	~\$100-200M (est.)	MV/LV switchgear, transformers. Filling gap from 1-year OEM lead times. Chinese parent (JST) with US operations.

Above-range incumbents to be aware of: Schneider Electric (Boston, MA), Eaton (Dublin, IE / Cleveland, OH), ABB (Zurich, CH / Cary, NC), Siemens (Munich, DE), GE Vernova (Cambridge, MA), Vertiv (Westerville, OH).

1B. Electrical & Mechanical Contractors

Electrical Contractors (Data Center Focus)

Company	HQ	Approx. Revenue	Notes
Helix Electric	San Diego, CA	~\$750M-\$1B	Mission-critical electrical. Major hyperscale data center contractor.
Miller Electric	Jacksonville, FL	~\$805M	Hyperscale data center electrical. National footprint.

Company	HQ	Approx. Revenue	Notes
MMR Group	Baton Rouge, LA	~\$500-750M (est.)	Top-10 ENR electrical contractor. Hyperscale data center focus.
ArchKey Solutions	St. Louis, MO	~\$400-600M (est.)	National electrical contractor. Data center and mission-critical.
Big State Electric	San Antonio, TX	~\$347M	Mission-critical and data center electrical.
Aldridge Electric	Libertyville, IL	~\$300-500M (est.)	Data center, transportation, water.
Bergelectric	Carlsbad, CA	~\$500-800M (est.)	National electrical contractor. Strong data center vertical.
Encore Electric	Lakewood, CO	~\$300-465M	Data center electrical. Rocky Mountain region leader.
Hunt Electric	Eagan, MN	~\$200-400M (est.)	Data center, commercial, industrial electrical.
Motor City Electric	Detroit, MI	~\$300-500M (est.)	Data center electrical. Midwest focus.
Power Design	St. Petersburg, FL	~\$400-600M (est.)	National electrical contractor. Data center projects.
Cache Valley Electric	Logan, UT	~\$300-500M (est.)	Mission-critical and data center electrical.
E-J Electric	Long Island City, NY	~\$300-500M (est.)	Data center, transit, utility electrical.
Gaylor Electric	Indianapolis, IN	~\$200-400M (est.)	Data center electrical.

Company	HQ	Approx. Revenue	Notes
Interstates	Sioux Center, IA	~\$300-500M (est.)	Electrical, automation, engineering for data centers.
Wayne J. Griffin Electric	Holliston, MA	~\$300-500M (est.)	New England data center electrical contractor.
Rogers Electric	Alpharetta, GA	~\$200-400M (est.)	National electrical service + construction.
Redwood Electric Group	Santa Clara, CA	~\$150-300M (est.)	Data center electrical. Silicon Valley + beyond.
CEC (Consolidated Electrical Contractors)	Irving, TX	~\$300-500M (est.)	Data center electrical.
Tri City Electric	Davenport, IA	~\$150-300M (est.)	Data center electrical. Midwest.
Lake Erie Electric	Westlake, OH	~\$150-300M (est.)	Data center electrical.
Freestate Electric	Laurel, MD	~\$150-300M (est.)	Data center electrical. Mid-Atlantic.
The Morse Group	Freeport, IL	~\$150-300M (est.)	Data center electrical.
ERMCO (Electrical Resources)	Greenwood, IN	~\$150-300M (est.)	Data center and industrial electrical.
O'Connell Electric	Victor, NY	~\$200-400M (est.)	Data center, utility, industrial electrical.
J.F. Electric	Edwardsville, IL	~\$150-300M (est.)	Data center electrical.
TC Electric	Great Neck, NY	~\$150-300M (est.)	NYC metro data center electrical.
Continental Electrical	Oak Brook, IL	~\$200-400M (est.)	Data center and commercial electrical.

Company	HQ	Approx. Revenue	Notes
Wilson Electric	Tempe, AZ	~\$150-300M (est.)	Data center electrical. Southwest.
Cleveland Electric	Atlanta, GA	~\$200-400M (est.)	Data center electrical. Southeast.
Guarantee Electrical	St. Louis, MO	~\$200-400M (est.)	Data center and mission-critical electrical.

Mechanical / HVAC Contractors (Data Center Focus)

Company	HQ	Approx. Revenue	Notes
McKenney's	Atlanta, GA	~\$600M	Mechanical/HVAC for data centers. Southeast leader.
Southland Industries	Duarte, CA	~\$500M-\$1B	HVAC/mechanical design-build. Significant data center portfolio.
ACCO Engineered Systems	Pasadena, CA	~\$1.48B (slightly above cap)	Mechanical/HVAC. Data center cooling installations.

Above-range contractors to be aware of: Rosendin Electric (San Jose, CA, \$2.1B), Cupertino Electric (San Jose, CA, \$2.1B), M.C. Dean (Tysons, VA, \$1.3B), EMCOR Group (Norwalk, CT), Comfort Systems USA (Houston, TX), Legence Corp (San Jose, CA, \$2.6B).

1C. Structural Steel & Precast Concrete

Structural Steel Fabricators

Company	HQ	Approx. Revenue	Notes
Schuff Steel	Phoenix, AZ	~\$300-500M	Largest US structural steel fabricator. Major data center projects. 400,000+ sq ft fabrication.

Company	HQ	Approx. Revenue	Notes
SteelFab	Charlotte, NC	~\$200-382M	30+ data center projects in Arizona alone. Southeast US based.
Zalkind Steel	San Diego, CA	~\$150-300M (est.)	Structural steel for data centers.

Precast Concrete / Tilt-Wall

Company	HQ	Approx. Revenue	Notes
Orion Group Holdings (ORN)	Houston, TX	~\$796M total	35+ data center tilt-wall concrete projects. Publicly traded (NYSE:ORN).
Metromont	Greenville, SC	~\$636M	Precast/prestressed concrete. Strong data center pipeline.
Suntec Concrete	Phoenix, AZ	~\$200-400M (est.)	Tilt-panel construction for data centers. Southwest US.
Tindall Corporation	Spartanburg, SC	~\$200-400M (est.)	Precast concrete for data centers and industrial.

Site Development / Earthwork

Company	HQ	Approx. Revenue	Notes
Sterling Infrastructure (STRL)	The Woodlands, TX	~\$2.12B total; ~\$924M E-Infrastructure segment (44%)	Data center site development. E-Infrastructure segment: 60% backlog in data centers. DC revenue grew 90%+ YoY.

Above-range incumbents: Nucor (Charlotte, NC, \$34.7B), Kiewit (Omaha, NE, \$14B), Granite Construction (Watsonville, CA), Turner Construction (New York, NY).

TIER 2 — SECOND PRIORITY

Rapid growth markets with M&A consolidation creating mid-cap procurement complexity. Strong Cronwell ICP alignment.

2A. Generators & Backup Power

Diesel Generators

Company	HQ	Approx. Revenue	Notes
Generac Holdings (GNRC)	Waukesha, WI	\$4.21B total; data center backlog ~\$150M	Launched DC generator line April 2025 (2.25-3.25 MW diesel + nat gas). New Sussex, WI plant.
Kohler Power / Rehiko	Kohler, WI	Privately held; est. \$1B+	KD Series 800 kW-4 MW diesel. AT&T, Equinix, Morgan Stanley DC customers.
MTU / Rolls-Royce Power Systems	Friedrichshafen, DE (US: Mankato, MN; Aiken, SC)	EUR 5.72B division; US DC est. \$500M+	Series 4000 diesel (2-4 MW). Sold out 2 years. US plant expansions.

Natural Gas Generators

Company	HQ	Approx. Revenue	Notes
ERock (EROC)	Houston, TX	\$183M (FY2025)	Formerly Enchanted Rock. Modular NG generators ("RockBlock" 1.5-3.5 MW). 1,000 MW installed. Microsoft, Walmart, Foxconn

Company	HQ	Approx. Revenue	Notes
			customers. IPO June 2026.
Mainspring Energy	Menlo Park, CA	Private (\$258M raised)	Linear generators (NG/hydrogen). Khosla Ventures, Amazon Climate Pledge Fund backed. Modular arrays 25-100 MW+.

Battery Energy Storage (BESS)

Company	HQ	Approx. Revenue	Notes
Eos Energy (EOSE)	Edison, NJ (mfg: Turtle Creek, PA)	\$150-160M (FY2025)	Zinc-bromine long-duration batteries (up to 12 hrs). 750 MWh with MN8 Energy for DC dispatchable power. Pipeline \$22.6B.
Energy Vault	Westlake Village, CA	\$204M (FY2025); backlog \$1.3B	BESS (lithium-ion, gravity, sodium-ion). Partnered with Crusoe for modular DC power (25 MW initial).
Stem Inc (STEM)	San Francisco, CA	~\$156M (FY2025)	AI-driven BESS optimization (Athena). Data center energy management.

Fuel Cells

Company	HQ	Approx. Revenue	Notes
Bloom Energy (BE)	San Jose, CA	\$2.02B (FY2025); guidance \$3.1-3.3B	SOFC fuel cells. Oracle deal: up to 2.8 GW. Equinix: 19 DCs.

Company	HQ	Approx. Revenue	Notes
			AEP: 900 MW, \$2.65B. Scaling to 2 GW capacity.
FuelCell Energy (FCEL)	Danbury, CT	\$158M (FY2025)	MCFC fuel cells. Pivoting to DC market. Partnership with Diversified Energy for off-grid DC power.

Microgrid Integrators

Company	HQ	Approx. Revenue	Notes
PowerSecure	Durham, NC (Southern Co. subsidiary)	Private; \$1B+ efficiency projects	3 GW deployed across 2,500+ systems. Edged: 152 MW in ATL/CHI/DFW.
Scale Microgrids	Ridgewood, NJ	Private; \$1B+ cumulative financing	Distributed generation + BESS. Acquired Reload for GW-scale DC campus development.

2B. Cooling & Thermal Management

Direct-to-Chip Liquid Cooling

Company	HQ	Approx. Revenue	Notes
CoolIT Systems	Calgary, AB, Canada	~\$550M (2025 run rate)	Modular cold plates, CDUs. 30%+ DLC market share. 300+ DCs. Acquired by Ecolab for \$4.75B (2026).

Immersion Cooling

Company	HQ	Approx. Revenue	Notes
LiquidStack	Carrollton, TX	~\$150M (2024 est.)	Two-phase dielectric immersion. OTTO 120, MegaTank 4000. 30,000 m² TX plant. Microsoft, Meta, NTT customers.
GRC (Green Revolution Cooling)	Austin, TX	~\$135M (near cap)	Single-phase immersion. ICEraQ, ICEtank. US Air Force, BP, Core Scientific customers.
Submer	Barcelona, ES (US gigafactory: Houston, TX)	~\$140M (near cap)	Single-phase immersion. Dell EMC and Supermicro OEM. KDDI, Telefonica, Equinix customers.

Coolant Distribution Units (CDUs)

Company	HQ	Approx. Revenue	Notes
Envicool Technology	Shenzhen, CN	~\$630M (4.59B CNY, 2024)	CDUs up to 120kW. Precision temp control. Public (002837.SZ). 42% CAGR 2023-26E (Jefferies estimate).

Chillers & CRAC/CRAH

Company	HQ	Approx. Revenue	Notes
Stulz Air Technology Systems	Hamburg, DE / US HQ: Frederick, MD	~\$800M (AC division)	Precision AC, CW chillers, adiabatic cooling. 700+ US employees. US manufacturing: Frederick MD,

Company	HQ	Approx. Revenue	Notes
			Dayton TN, Denton TX. "100% USA manufactured."
Modine Manufacturing	Racine, WI	\$2.4B total; \$294M DC cooling segment (+69% YoY)	Airedale by Modine: CRAC/CRAH, chillers, CDUs, free cooling. Acquired TMGcore immersion IP. Targeting \$1B DC business.

Heat Exchangers / Free Cooling

Company	HQ	Approx. Revenue	Notes
Kelvion	Bochum, DE / US HQ: Buffalo, NY	~\$500-800M (est.)	Plate heat exchangers, shell-and-tube, dry coolers for DC free cooling. Private.

Above-range incumbents: Vertiv (Westerville, OH, \$8B), Trane Technologies (Davidson, NC, \$19.8B), Carrier Global (Palm Beach Gardens, FL, \$22.5B), Johnson Controls/YORK (Cork, IE / Milwaukee, WI), Schneider Electric (Paris, FR), Daikin Applied (Minneapolis, MN), Alfa Laval (Lund, SE, \$7.1B).

2C. Modular Construction, GCs & MEP Engineering

Modular / Pre-Fab Data Centers

Company	HQ	Approx. Revenue	Notes
Fibrebond Corporation	Minden, LA	~\$378M	Pre-integrated modular power enclosures. Acquired by Eaton for \$1.4B (March 2025). \$150M campus expansion in Minden, LA.

Company	HQ	Approx. Revenue	Notes
Silent-Aire	Edmonton, AB, Canada	~\$650M (at 2021 acquisition)	Custom modular DC cooling solutions. Hyperscale customers: Microsoft, Google, Amazon, Meta, Apple. Acquired by Johnson Controls 2021.

General Contractors (Data Center Segment Revenue in Range)

Company	HQ	DC Segment Revenue	Total Revenue	Notes
JE Dunn Construction	Kansas City, MO	~\$843M (2022)	\$5B+	Top-tier DC GC. Hyperscale and enterprise campuses.
Whiting-Turner	Baltimore, MD	~\$805M (2022)	\$6B+	#1 DC contractor by market share.
Clayco (Clayco Compute)	Chicago, IL	~\$759M (2022); \$3.6B (2024)	\$7B+	Dedicated DC unit launched Jan 2025. 57 active DC projects.
Clune Construction	Chicago, IL	~\$704M (2022)	\$2.2B	DC work >50% of revenue. ENR Midwest Contractor of the Year 2024.
STO Building Group	New York, NY	~\$632M (2022)	\$12B	Major hyperscale and colo DC construction.
Brasfield & Gorrie	Birmingham, AL	~\$545M (2022)	\$6.4B	13 offices in 8 states.

Company	HQ	DC Segment Revenue	Total Revenue	Notes
Walbridge	Detroit, MI	~\$515M (2022)	\$5.9B	Michigan's largest construction firm. DC core market.
Weitz Company	Des Moines, IA	~\$466M (2022)	\$1-3B	National GC. Mission-critical/ DC practice group.
Hensel Phelps	Greeley, CO	~\$440M (2022)	\$7.1B	Employee-owned. Federal, aviation, DC projects.
Skanska USA	New York, NY	~\$420M (2022)	\$8.2B	Advanced Technology division for DC and semiconductor.
Fortis Construction	Portland, OR	Not separately reported	\$2.2B total	Meta campus (Cheyenne, WY), PDX01 (Forest Grove, OR).
HITT Contracting	Falls Church, VA	\$154M (DC segment, 2024)	\$8.7B	#1 on ENR 2025 Telecom/DC Contractor list.

MEP Engineering Firms

Company	HQ	Approx. Revenue	Notes
Syska Hennessy Group	New York, NY	~\$318M	Full-service MEP/IT consulting. Major DC and mission-critical practice. National offices.

Company	HQ	Approx. Revenue	Notes
CCG Facilities Integration	Columbia, MD	~\$150M	Commissioning + MEP engineering for critical facilities. Strong DC market position.
Corgan	Dallas, TX	\$510M total ; **\$135M DC design**	#1 DC Architecture Firm (BD+C 2024, 2025). Deep in-house MEP.

Commissioning & Testing

Company	HQ	Approx. Revenue	Notes
NV5 Global (NVEE)	Hollywood, FL	~\$941M (2024)	Public. Leader in DC commissioning. Acquired Herman Cx (March 2025).
Primary Integration Solutions	Charlotte, NC	~\$100-250M (est.)	DC commissioning and risk management. Bureau Veritas subsidiary.
Electric Power Systems Intl (EPSII)	Maryland Heights, MO	~\$112M	NETA-certified electrical testing and commissioning for DCs.

TIER 3 — THIRD PRIORITY

High-volume, more commoditized categories. Smaller per-project spend but recurring relationships. Good for volume-based Cronwell land-and-expand.

3A. Cabling & Connectivity

Company	HQ	Approx. Revenue	Notes
Superior Essex Communications	Atlanta, GA	~\$700-814M	Fiber + copper structured cabling.

Company	HQ	Approx. Revenue	Notes
			PoE, hybrid fiber-copper. LS Cable & System subsidiary.
The Siemon Company	Watertown, CT	~\$392M	Structured cabling (copper/fiber), pre-terminated fiber, cabinets, racks, cable management.
Clearfield, Inc. (CLFD)	Minneapolis, MN	~\$167M	Fiber optic management, protection, delivery products. Publicly traded.
Panduit Corp.	Tinley Park, IL	~\$1B (borderline)	Structured cabling, pre-terminated fiber, cabinets, racks, DCIM.

Above-range: Belden (St. Louis, MO, \$2.46B), CommScope (Claremont, NC, \$5-6B), Corning Optical (Corning, NY, \$4.66B segment).

3B. Racks, Enclosures & Containment

Company	HQ	Approx. Revenue	Notes
Black Box Corporation	Pittsburgh, PA	~\$738M	Server racks, cabinets, cooling, cable mgmt, physical network infrastructure.
Chatsworth Products (CPI)	Westlake Village, CA	~\$190M	Server racks, cabinets, cable mgmt, power distribution, thermal mgmt, aisle containment.

Company	HQ	Approx. Revenue	Notes
Maysteel Industries	Allenton, WI	~\$150-300M (est.)	Metal enclosures, aisle containment, DC cabinets, custom sheet metal.
Suzhou Longway Electronic	Suzhou, CN	~\$185M	Hot/cold aisle containment, enclosures, cable management. Public (301202.SZ).

Above-range: nVent/Hoffman (London, UK / Minneapolis, MN, \$3B), Rittal (Herborn, DE / Schaumburg, IL, \$2.5B+), Legrand Data Center (Limoges, FR / West Hartford, CT, \$1.8B DC revenue), Schneider/APC (Paris, FR / Boston, MA), Vertiv (Westerville, OH).

3C. Building Management & DCIM

Company	HQ	Approx. Revenue	Notes
Distech Controls (Acuity Brands)	Brossard, QC, Canada	~\$292M (Acuity Intelligent Spaces segment)	BMS controllers, HVAC/lighting controls. Open-protocol BACnet for DCs.

Gap note: There is a "missing middle" in BMS/DCIM. Pure-play DCIM companies (Sunbird Software, Nlyte, Device42, Modius) are all under \$50M. The mid-space is empty between startups and the conglomerates (Johnson Controls, Siemens, Honeywell, Schneider).

3D. Fire Suppression

Company	HQ	Approx. Revenue	Notes
Fike Corporation	Blue Springs, MO	~\$250M	Clean agent suppression (FM-200, Novec 1230, inert gases), fire alarm, explosion protection. Strong DC

Company	HQ	Approx. Revenue	Notes
			and industrial markets.

Above-range: Johnson Controls/Tyco (Milwaukee, WI), Honeywell/Notifier (Charlotte, NC), Carrier/Kidde (Palm Beach Gardens, FL), Siemens/Cerberus (Munich, DE), Minimax Viking (Mettmann, DE).

3E. Physical Security

Company	HQ	Approx. Revenue	Notes
Eagle Eye Networks	Austin, TX	~\$380M	Cloud VMS with on-prem recording. DC security monitoring.
Verkada	San Mateo, CA	~\$340M	Cloud-managed cameras, access control, sensors. All-in-one platform for DC physical security.
Hanwha Vision	Seongnam, KR (US: Teaneck, NJ)	~\$375M	Network cameras, NVRs, AI video analytics. DC perimeter surveillance.
Milestone Systems	Copenhagen, DK (US: Hillsboro, OR)	~\$280M	XProtect open-platform VMS. DC surveillance integrated with access control.
Genetec	Montreal, QC, Canada	~\$250-500M (est.)	Unified Security Center: VMS + access control + ALPR. Widely used in colo and enterprise DCs.

Company	HQ	Approx. Revenue	Notes
HID Global	Austin, TX	~\$500M-\$1B	Access control readers, credentials, controllers. ASSA ABLOY subsidiary.

Above-range: Johnson Controls/Tyco (Milwaukee, WI), Honeywell Security (Charlotte, NC), Axis Communications (Lund, SE / Canon), Avigilon/Motorola (Vancouver, BC), LenelS2/Carrier (Fairport, NY), Bosch Security (Fairport, NY).
